

Directorate of Youth Welfare aims at ensuring youth welfare by conceiving and organizing such programmes as would stimulate mammoth reservoir of energy in youth constructively for the establishment of a healthy cultural environment in the University. The University has developed best infrastructure to carry out their plan for youth welfare. It motivates students to inculcate and sharpen their talents in diverse fields of cultural activities. It takes care of the third dimension of the higher education by organizing adventure camps, workshops for boosting motivation and healthy competitiveness and inculcating social values to ensure holistic development of their personalities. Besides celebration of national festivals, the directorate also organizes Talent Finding Competitions and Youth Festivals for the students of UTDs and the affiliating colleges. For the enrichment of the students the Directorate hires artists/technicians/resource person from diverse fields to prepare them for competitions at state, national and international levels. Literary and Fine Art activities are also taken up to hone their talents. To foster oratorical qualities to prepare future orators among the student. In the coming session the Directorate plans to concentrate on youth leadership in order to make these activities socially more relevant through extension programmes.

Dr. M.K. Kidwai,
Director, Youth Welfare
