

**UNIVERSITY CENTER FOR DISTANCE LEARNING (UCDL)  
CHAUDHARY DEVI LAL UNIVERSITY, SIRSA  
(From the academic session 2016- 2017)**

**M.A. EDUCATION (PREVIOUS)**

**PHILOSOPHICAL FOUNDATION OF EDUCATION ( ED01)**

**Assingment-1**

**Marks 10**

**Note: Attempt five questions in all. Q. No. 1 is compulsory. All questions carry equal marks.**

1. Write short note on the following:
  - (a) Philosophy of Buddhism
  - (b) Realism
  - (c) Educational thoughts of Aurobindo
  - (d) Education and Equality
2. Explain the nature of knowledge. What are the sources of knowledge?
3. Explain the role of education in imparting national value in Indian context.
4. Describe in detail the relationship between Education and Philosophy.
5. What are the aims of education, curriculum, methods of teaching and role of teacher according to logical positivism?
6. Explain Vedanta as a school of philosophy with special reference to its educational implications.
7. Explain the meaning of Idealism. Describe the aims, curriculum and methods of teaching in the context of Idealism.
8. Write short note on any two of the following:
  - (a) The educational philosophy of Vivekananda
  - (b) The educational philosophy of Tagore
  - (c) The educational philosophy of Gandhi

**Assingment-2**

**Marks 10**

**Note: Attempt five questions in all. Q. No. 1 is compulsory. All questions carry equal marks.**

1. Write short note on the following:
  - (a) Philosophy of Sankhya
  - (b) Marxism as a school of Educational Philosophy
  - (c) Educational thoughts of J. Krishnamurti
  - (d) Education for Democracy
2. Discuss the Educational Philosophy of Aurobindo regarding aims and methods of teaching.
3. Write in detail about educational philosophy of existentialism with special reference to its educational implications.
4. What do you mean by Nyaya Philosophy? Explain.
5. Write short note on the following:
  - (a) Naturalism- meaning, aims and methods of teaching
  - (b) Pragmatism- meaning, aims and methods of teaching
6. Write a detailed note on Gandhiji's Idea of craft centered education.
7. Describe the various constitutional provisions relating to education.
8. Write short note on the following:
  - (a) General characteristics of Indian Philosophy
  - (b) Jain Philosophy

## **SOCIOLOGICAL FOUNDATION OF EDUCATION (ED02)**

### **Assingment-1**

**Marks 10**

**Note: Attempt five questions in all. Q. No. 1 is compulsory. All questions carry equal marks.**

1. Write short note on the following:
  - (a) Cultural determinants of Education
  - (b) Concept of Sanskritization
  - (c) Education and National Integration
  - (d) Marxism
2. Explain inequality of educational opportunities and their impact on growth and development.
3. What do you understand by democracy. Write down its importance with special reference to India.
4. Explain the role of Emile Durkheim in sociology.
5. Explain the social principles in education. How does westernization influence the educational system of India.
6. Discuss the concept of social stratification with special reference to major factors affecting education in relation to social stratification.
7. Write short note on two of the following:
  - (a) Different approaches to international understanding
  - (b) Education as a process of social progress
  - (c) Educational implications of social organization
8. What do you mean by modernization? Write down its impacts on social change with reference to India.

### **Assingment-2**

**Marks 10**

**Note: Attempt five questions in all. Q. No. 1 is compulsory. All questions carry equal marks.**

1. Write short note on the following:
  - (a) Folkways
  - (b) Urbanization
  - (c) Social growth and development
  - (d) Importance of R. K. Merton's social theory
2. What is integral humanism? Discuss its impact on social change.
3. What is sanskritization? Describe the factors of sanskritization.
4. Elaborate the concept of culture and social system described by Talcott Parsons. What are the educational implications of this theory?
5. Discuss the meaning of national integration. How does education contribute to national integration in india?
6. What is culture? Explain its characteristics and role of education in cultural context.
7. What is socialization? Explain its relation with education.
8. Explain the meaning and concept of social change with special reference to India.

## PSYCHOLOGICAL FOUNDATION OF EDUCATION (ED03)

### Assignment-1

Marks 10

**Note: Attempt five questions in all. Q. No. 1 is compulsory. All questions carry equal marks.**

1. Write short note on the following:
  - (a) Observation Method.
  - (b) Components of Creativity.
  - (c) Multifactor theory of Intelligence.
  - (d) Factors affecting Motivation.
2. Define Learning. Describe the classical conditioning theory of Pavlov.
3. Define Intelligence. Describe Guilford's structure of intelligence in detail.
4. Write short note on the following:
  - (a) Technique of enhancing learner's motivation.
  - (b) Maslow's theory of hierarchy of needs.
  - (c) Teaching method and technique for learning disabled children.
5. Write detailed note on experimental method of educational psychology.
6. Define Personality. Explain different methods of assessment of personality.
7. Define gifted children. Discuss their needs and problems.
8. Explain the concept of Education and Psychology. How is the knowledge of educational psychology useful for a teacher?

### Assignment-2

Marks 10

**Note: Attempt five questions in all. Q. No. 1 is compulsory. All questions carry equal marks.**

1. Write short note on:
  - (a) Concept of Growth and Development.
  - (b) Concept of IQ and EQ.
  - (c) Two factor theory of Intelligence.
  - (d) Transfer of Training.
2. Describe the concept of individual differences. What is the role of heredity and environment in developing individual differences?
3. Define the concept of motivation? Explain critically the Psycho Analytical theory of motivation.
4. What do you mean by Social and Emotional development? What factors are responsible for emotional development of children?
5. Define creativity. Explain its characteristics and importance in education.
6. Define differential method of educational psychology. Discuss its relevance for education and research.
7. Write short note on any two of the following:
  - (a) Insight Theory of Gestalt.
  - (b) Lewin's Field Theory.
  - (c) Skinner's Operant Conditioning.
8. Discuss in details about the verbal and non verbal methods of intelligence

## **RESEARCH METHODS IN EDUCATION (ED04)**

### **Assignment-1**

**Marks 10**

**Note: Attempt five questions in all. Q. No. 1 is compulsory. All questions carry equal marks.**

1. Write short note on the following:
  - (a) Concept of research hypothesis
  - (b) Concept of Population and Sample
  - (c) Sources of Historical Data
  - (d) Research design
2. Describe the experimental method of educational research in detail.
3. What is qualitative research? Also describe its Ethnographic, Development and Documentary analysis.
4. Write short note on any two of the following:
  - (a) Questionnaire
  - (b) Types of research design
  - (c) Projective Techniques
5. Explain the meaning, nature, need and limitations of educational research.
6. What is sampling? Explain briefly the different methods of sampling.
7. Define research report. Enlist the different steps of research report.
8. Describe the sources and criteria for identifying research problem in the field of education.

### **Assignment-2**

**Marks 10**

**Note: Attempt five questions in all. Q. No. 1 is compulsory. All questions carry equal marks.**

1. Write short note on:
  - (a) Review of Related Literature
  - (b) Types of Data
  - (c) Descriptive Research
  - (d) Bibliography
2. What is historical research? Explain different steps involved in historical research.
3. Select a suitable problem and develop a research proposal ( synopsis) for presentation.
4. What do you mean by sampling error? Explain the characteristics of a good sample.
5. Describe validity and limitations of research findings. What are the various factors influencing the validity of research findings.
6. Write short note on the following:
  - (a) The sources of data collection
  - (b) Various types of hypothesis.
7. Discuss the significance of research in education and the different types of research.
8. Define Ex Post Facto research. Discuss the scope and applicability of Ex Post Facto research.

## METHODS OF DATA ANALYSIS IN EDUCATION (ED05)

### Assignment-1

Marks 10

**Note: Attempt five questions in all. Q. No. 1 is compulsory. All questions carry equal marks.**

1. Write short note on the following:
  - (a) Need of Graphical Representation of Data
  - (b) Regression Lines
  - (c) Standard Error
  - (d) Test of Homogeneity
2. Explain the hypothesis testing procedure. Also define the concept of Type- I and Type- II errors.
3. Write short note on the following:
  - (a) Quartile Deviation
  - (b) Frequency Polygon
4. Explain the meaning, assumptions and uses of Sign test.
5. What do you understand by measures of central tendency. Explain the importance of mean, median and mode with suitable examples.
6. Explain the t- test and its applications with suitable examples.
7. Define the concept of regression. What is the difference between regression and correlation?
8. Define correlation and its types. Explain the three statistical measures of correlation with suitable example.

### Assignment-2

Marks 10

**Note: Attempt five questions in all. Q. No. 1 is compulsory. All questions carry equal marks.**

1. Write short note on the following:
  - (a) Variance
  - (b) Partial and Multiple Correlation
  - (c) Difference between Parametric and Non- parametric Test
  - (d) Contingency Table
2. Give a detailed account of F- test. Describe its applications with suitable examples
3. Explain the concept of regression with regression equations with suitable examples.
4. What do you understand by measures of dispersion? Describe the procedure of computation of standard deviation.
5. What is Chi- square test? Explain its significance in statistical analysis.
6. Explain the types of Hypothesis and define the concept of one- tailed and two- tailed test.
7. Define the Correlation and its uses. Differentiate the product moment correlation and rank difference correlation.
8. Write short note on the following:
  - (a) Percentile and Percentile Rank
  - (b) Quantitative and Qualitative Data
