Manohar Memorial Post-Graduate College, Fatehabad

College Website: <https://www.mmcollege.ac.in/>

About the College:

Manohar Memorial Post-Graduate College, Fatehabad (Haryana) came into its wonderful existence on **June 24, 1970**. The college has been marching ahead on its uphill journey since its inception. It has since become synonymous with dedication, commitment and service to the community in this educationally and culturally backward region. It is universally recognized for its impeccable credentials of being a top-ranking and first-rate institution all over the state. It has left behind more than five glorious decades of its eventful history.

The college owes its emergence to the “**Divine Inspiration**” of **Late Swami Gita Nandji Maharaj** who counselled **Late Mehta Khem Raj Ji Batra** to establish a college in the name of his only son **Manohar Batra** who had been snatched away by the cruel hands of destiny in his blooming youth while he had still seen only twenty-one springs of his life. The college was approved in the first instance by **Punjab University, Chandigarh**; then by **Kurukshetra University, Kurukshetra** and is presently affiliated to **Chaudhary Devi Lal University, Sirsa**.

The self-contained twenty acre sprawling campus is strategically located in the heart of the city on the National Highway in its green natural environs. It is well-equipped with an extensive building infrastructure containing all state-of-the art facilities. The campus boasts of spacious and well-maintained playgrounds for all games and sports.

This college started with “Arts Faculty” in the year of its inauguration in 1970. The “Commerce Faculty” was added soon after in 1972. After that, in 1992, sincere efforts were made to introduce Honours classes in English, Sanskrit and Punjabi. The year 1995-1996 saw further strengthening of the Arts Faculty with new subjects of Home Science and Music (Instrumental). From 2001-02 onwards the college provided the specialized studies in ‘O’ Level Computer Course under “Employment Generation Scheme” of Government of India. Later, the ‘Job Oriented’ Vocational Course in B.Com. (Computer Applications) and ‘A’ Level Computer Course were added in the year 2002-03 and 2003-04 respectively.
