

**CHAUDHARY DEVI LAL UNIVERSITY SIRSA**  
(Established by the State Legislature Act. 9 of 2003)

**NOTICE**

The existing drinking water supply schedule of university has been revised as per availability of canal water. The closer period for Sirsa Major Distributary has been extended upto 20.04.2025 due to annual maintenance work by BBMB. Resultantly, the University might get raw water after 40 days approximately. The capacity of SS tank of University is for 15 days only. So it would be very difficult to manage the drinking water supply for such a long closer of canal. Therefore, to maintain proper rationing of raw water in storage tank and to avoid scarcity of drinking water, the following water supply schedule has been adopted as under:

1. 6:00 AM to 8:30 AM
2. 6:00 PM to 7:00 PM

All the concerned & residents are requested to follow the schedule and save drinking water as much as possible by avoiding wastage of water in kitchen, gardening, plantation, washing of vehicles etc.

*Sd/-*  
**EXECUTIVE ENGINEER**

**Endst.No.EE/2025/A-IV/File No. 979 / 401-67**
