(Established by the State Legislature Act 9 of 2003)

**ANNUAL REPORT**  
**2018**

# Message

I am pleased to present before you the Annual Report of 2018 for publication, which includes our achievements made during this Calendar Year.

This Annual Report gives a detailed account of the three pillars of higher education -- Teaching, Research and Extension reflecting a wide spectrum of Curricular, Co-curricular and Extra-curricular activities carried out in the University during 2018. It also provides an opportunity to look back as a measure of introspection to chalk out a vision plan for a better future. Though, this University has seen a considerable growth in the past few years, with the introduction of 6 new departments and programmes of study, new disciplines, and new initiatives, we have still a long way to make our presence visible on the national and international academic world. This year is also remarkable for re-affiliation of B.Ed. Colleges to it besides all Engineering and Management Colleges falling in the districts of Sirsa and Fatehabad.

Chaudhary Devi Lal University after its arduous journey is now ushering into that phase of development where growth rate is fast pacing up. Faculty of this University is acquiring wide national and international exposure, whereas students are excelling in sports and co-curricular and extracurricular activities at the national level. NAAC and NIRF gradation are marks of the increasing confidence of the institute, which has enabled it analyze its SWOT. It is essential for acquiring clearer vision and setting new goals for the future. It has set the target of expanding qualitatively as well as quantitatively. Introducing new PG Courses and bringing them under the umbrella of Choice Based Credit System (CBCS) including those run in affiliated colleges is an evidence of how the University is gearing itself to move on to meet the world challenges.

We stands committed to make optimal efforts to provide conducive and healthy environment to grow professionally.

## UNIVERSITY AT A GLANCE

Established on 2<sup>nd</sup> April, 2003, Chaudhary Devi Lal University, Sirsa is named after Jan Nayak Chaudhary Devi Lal, the former Deputy Prime Minister of India and the former Chief Minister of Haryana. The University has been recognized by the University Grants Commission and declared eligible for Central Assistance under Section 12 (B) of UGC Act vide UGC letter No. F.9-17/2003 (CPP-1) dated 17.02.2009. It is graded 'B' by NAAC and also participated in the second cycle of NIRF.

This University, set up by the Government of Haryana under an Act 9 of 2003 passed by the State Legislature, has a sprawling campus of 213 Acres 4 Kanal 12 Marlas at Barnala Road, Sirsa. The main objective of the University is to facilitate, promote and excel in Higher Education, Research and Consultancy in the contemporary as well as emerging areas of knowledge. The inception of high-tech culture involving computer-based facilities, internet connectivity and modern administrative techniques is one of the integral characteristics of this University. To enhance the standard of higher education and increase the research activities, the University is connected to National Knowledge Network (NKN). This connectivity has been provided through One Gbps (optical fiber) dedicated line under NMEICT project of Ministry of HRD India. Wi-Fi facility has also been provided in the University campus.

There are 24 Teaching Departments offering 61 courses in the University. University College has also been established from the academic session 2018-19. Well-known, reputed and experienced academicians and professionals have been associated in preparing the academic curriculum of different courses. It is important to mention here that special attention has been given to follow the guidelines of the UGC and other Regulatory Bodies in preparing the course curriculum. The university also offers various courses through the University Centre for Distance Learning. The emphasis is to impart quality education by providing congenial and liberal atmosphere in the campus through the promotion of extracurricular activities. Sports events of North Zone and All India Intervarsity level and University Youth Festival have been successfully organized. Students are encouraged to participate in such activities and events outside the campus to enable them achieve overall growth of their personality.

The University has three Teaching Blocks, Faculty House, Multipurpose Hall, a three-floored wing of the Administrative Block, Vice Chancellor's residence and houses for the teaching and non-teaching staff and five well-furnished hostels for boys and girls. There is a Media Centre equipped with hi-tech gadgets besides well-equipped laboratories and an impressive building housing Vivekanand Library. There is a good stock of books and study material of high standard in the University library. Research journals of National and International repute are being subscribed. Newly constructed houses are being allotted to accommodate maximum number of staff and faculty. The building for University Centre for Distance Learning and second phase of administrative block are in pipeline.

The University has ATM facility of Oriental Bank of Commerce. A branch of Oriental Bank of Commerce with ATM facility is also located in the University Shopping Complex, which also houses the University Health Centre. Medical facilities have been made available to the students and staff through a regular Medical Officer and technical staff.

The University has adopted innovative methods for conducting University examinations, achieving a distinction in timely declaration of results. The students of this university have shown commendable results in academics as well as co-curricular activities. With the present pace of progress already acquired, the university looks forward to having a promising future.

## **UNIVERSITY CENTRE FOR DISTANCE LEARNING (UCDL)**

In the year 2006, Chaudhary Devi Lal University, Sirsa established the University Centre for Distance Learning with the objective to take University based education beyond the four walls of the University and to provide education at the door step to those who are deprived of the privilege of education. Since its inception during the academic session 2006-2007, the University Centre for Distance Learning has geared itself to impart quality and need based courses. The UCDL envisioned and devised employment - oriented courses like P.G. Programme i.e. MCA, M.Sc (Computer Science), MBA, M.A. Education, M.A. English, M.A. Mass Communication, etc. Beside these courses, the UCDL also offers Post Graduate Diploma (s) such as P.G. Diploma in Computer Applications, P.G. Diploma in Business Management and P.G. Diploma in Mass Communication and other UG courses viz B.C.A., Diploma in Computer Science & Technology and B.A. Mass Communication to meet the urgent demands of the students. It has also introduced graduation courses like as B.A. and B.Com from year 2010-11. University Centre for Distance Learning has a library and a computer – equipped Information Cell for the convenience of its students. For day to day information of the University Centre for Distance Learning, University website is updated regularly. The UCDL has also introduced two more P.G.

courses i.e. M.Com and M.A. History from the academic session 2018-19 in addition to M.A. Hindi, M.A. Sanskrit, M.A. Punjabi and P.G. Diploma i.e. in Disaster Management. The UC DL has also appointed Assistant Professors (Contractual) in Computer Science, Business Management, Commerce, English and Education so that the student may clear their doubts during their course of study on any working day. For the convenience of students, the examination date sheet, results and admit cards are provided on the University website.

The University Centre for Distance Learning of the Chaudhary Devi Lal University, Sirsa is making strenuous efforts to upgrade the quality of learning materials, student support services and the system of professional development. The UC DL has obtained approval of its courses from DEB/UGC for the sessions 2018-19 and 2019-20.

## **VIVEKANAND LIBRARY**

Libraries are an integral part of all educational institutes. The Main Library of Chaudhary Devi Lal University came into existence in April 2003 in Tagore Bhawan of the University. It was shifted to the present impressive four storeysed building in the year 2010. The Library has rich collection of publications which include books, Indian and foreign journals, theses/dissertations, reports, newspapers and magazines etc. The Wi-Fi system is made available in the library to provide easy access of internet to the users. The library has been divided into various sections. The library, at present, not only allows the members to borrow books or other resources but also provides well furnished and peaceful reading rooms.

The library opens from 9.00 A.M. to 5.00 P.M without break including all working days, Saturdays and examination days. Three reading halls have been provided to the users with capacity of 250 readers simultaneously. **6.1. Strengthening of Departmental Infrastructure: NIL**

**6.2. Any other information. NIL**

**6.3. Future planning: Please state the Academic/Research/Co-curricular and extension activities planned under planning.**

<b>(a) 2018-19</b>	<p>The Department of Biotechnology plans to strengthen teaching and research programme through innovative techniques. The faculty members of the department have already been granted R &amp; D Projects from UGC and are planning to submit more research projects to other funding agencies like DST, DBT, CSIR <i>etc.</i> The department is also planning to organize conference/seminars/workshops for teachers and students in the next financial year. Further, the department is also planning to sign Memorandum of Understanding (MOU) with National and International Institutes in the times to come to strengthen its ongoing and future R&amp;D work.</p>
<b>(b) Upto 2022</b>	<ul style="list-style-type: none"> <li>• The department has planned to develop the research facilities in advance areas like, molecular biology, bioprocess engineering,</li> </ul>

immunology, bioinformatics etc.

- The faculty members are in the process of submitting some more Research Projects to National and International Funding Agencies.
- The Department is also in the process of collaborating with other Universities, National as well as International Laboratories/ Institutes of repute.
- The Department has started the process to get itself funded from the Department of Biotechnology, Govt. of India under the scheme of Human Resource Development Programme.
- The project proposals under FIST (DST, Govt. of India) and SAP (UGC) programme will be submitted very shortly.

**Infrastructure**

- This department has sufficient infrastructure in the new building. The proposed furniture in the research and PG labs is of high standard.
- The labs will be provided with temperature regulation devices.
- To provide highest quality technical education to the students and equipping them with competency in different disciplines of biotechnology.
- To undertake research and development activities in frontline areas like microbial biotechnology, bioprocess engineering, genetic engineering, immunology, plant and animal tissue culture, diagnostic kits etc.
- Enrichment and enhancement of intellectual knowledge base through organization of seminars, conferences and workshops.
- Placement of the students in biotechnology related industries.
