About the Department

The Department of Geography under Faculty of Social Sciences was established as an independent department in 2017. The Department has trained faculty members with wide research and teaching experience. The department offers PG programme i.e. M.A. (Geography) with intake of 50 students.

Vision

Geography is the specialized branch of the Social Sciences devoted to understand the geographical processes and their regulation with applications in Remote Sensing & GIS. Through our M.A. program, we envision to prepare the students for pursuing career in academics, scientists, urban and regional planning, Geographical survey etc. The main thrust areas of the department are Remote Sensing & GIS, Urban & Regional Planning, Social Geography & Tribal studies etc.

Mission

- To provide quality teaching of Geographical knowledge adopting latest teaching method strategies and techniques.
- To promote Geography education to sensitize and aware students the needs, problem, issues, challenges and prospects arising out of complex interplay man, nature and technology.
- To take up quality research taking theoretical and empirical aspects into consideration to provide solutions of human problems, issues, challenges related with time, space, physical objects, identities and differences, development, nature and man etc. at global, regional and local levels.
- To enhance sharing and dissemination of Geographical knowledge and experiences through organizing and promoting active participation in conferences, seminars, symposia, workshops etc. and through publishing research work at national and international levels in appropriate forms.
- To identify and work on local and global thrust areas that need Geographical interventions.
- To produce trained students with creative, innovative and inventive research aptitude by providing hands-on training in Geography
- To train and equip manpower with the knowledge, skills and values required to address the need for high-level manpower across the nation.

Facilities

The department has the following equipments:

- Air Conditioned Computer Lab
- computer lab equipped with needy applications and software
- LCD Projector
- Cartography Lab
- Remote Sensing & GIS Lab
- Morphometric Lab
- GPS
- Pocket and Mirror Streoscopes
- Digital Planimeter
- Barometer
- Tracing Table
- Satellite Imageries
- Aerial Photographs
- Toposheets

Paper Presentation in National/International Seminars/Conferences

State

1. Presented paper on "Declining Sex Ratio in Haryana" in a State Level Seminar organized by Department of Geography KVA DAV College for Women, Karnal, Haryana on February 16, 2008, Sponsored by UGC.

Regional

1. Presented paper on "Demarcation of Flood Susceptible Zone and Its Factors in Haryana" in a State Level Seminar

organized by HARSAC, Hisar, Haryana on March 21 – 22, 2017, Sponsored by Indian Society of Geomatics.

National

1. Presented paper on “Impact of Water Logging and Salinity on Urbanisation and Agriculture in Rohtak and Jhajjar District” in a National Seminar organized by Department of Geography Meerut College, Meerut on March 29 – 30, 2014, Sponsored by ICSSR.
2. Presented paper on “Eutrophication a major issue a case study of Rohtak District, Haryana” in a National Seminar organized by Department of Geography KVA DAV College for Women Karnal on November 08, 2014, Sponsored by UGC.
3. Presented paper on “General Explanation of GIS and Remote Sensing” in a National Seminar organized by Department of Geography KVA DAV College for Women Karnal on November 08, 2014, Sponsored by UGC.
4. Presented paper on “Geography as a Science of Technology” in a National Seminar organized by Department of Geography Mata Sundari Khalsa Girls College, Nissing, Karnal on February 24, 2015, Sponsored by SGPC Amritsar.
5. Presented paper on “Role of Space Technology in Resource Management: A Case Study of Rohtak City (Haryana)” in a National Seminar organized by Department of Botany KVA DAV College for Women Karnal on January 21, 2016, Sponsored by DGHE, Haryana.
6. Presented paper on “Environmental Effects on Agricultural Development: A Case Study of Rohtak District, Haryana” in a National Seminar organized by Department of Geography Hindu Girls College Sonipat on February 23, 2017, Sponsored by DGHE, Haryana.
7. Presented paper on “A Geoinformatics Based Study on Water Logging Salinity” in a National Seminar organized by Department of Geography Pt. Neki Ram Sharma Govt. College, Rohtak on February 24 - 25, 2017, Sponsored by DGHE, Haryana.
8. Presented paper on “Temporal Inventory of Water Logging and Salinity: Case study Rohtak Haryana” in a National Seminar organized by School of Earth, Environment and Space Studies, CUH, Mahendergarh on November 22 – 23, 2017, Sponsored by Ministry of Earth Sciences, Govt. of India.

International

1. Presented paper on “Impact of Water Logging and Salinity on Agriculture and Socio – Economic Status in Jhajjar District” in an International Conference organized by Dept. of Geography, M. D. U. Rohtak on March 14 – 16, 2013, Sponsored by The International Geographic Union (IGU).

2. Presented paper on "Mapping and Analysis of Eutrophication at Lakhan Majra Block in Rohtak Using Geoinformatics" in an International Conference organized by Dept. of Geography, M. D. U. Rohtak on March 14 – 16, 2013, Sponsored by The International Geographic Union (IGU).
3. Presented paper on "Impact of Water Logging and Salinity on Environment, Socio – Economic Status and Urbanization in Rohtak and Jhajjar District" in an International Conference organized by Dept. of Geography, Kurukshetra University Kurukshetra on October 04 – 05, 2013, Sponsored by Association of Punjab Geographers (APG).
4. Presented paper on "Influence of Water Logging and Salinity on Agriculture: A Case Study of Rohtak, Haryana" in an International Conference organized by Dept. of Geography, Kurukshetra University Kurukshetra on February 11 – 13, 2016, Sponsored by 37th IIG Meet.
5. Presented paper on "Environmental and Cultural Factors of Land Use and Land Cover Changes: A Case Study of Rohtak City (Haryana)" in an International Conference organized by Dept. of Geography, Shaheed Bhagat Singh College, University of Delhi, New Delhi on March 18 – 20, 2016, Sponsored by The International Geographic Union (IGU).
6. Presented paper on "The Current Scenario of Soil and Agriculture Related Issues: A Case Study of Rohtak District, Haryana" in an International Conference organized by Dept. of Geography, Shaheed Bhagat Singh College, University of Delhi, New Delhi on February 05 – 07, 2018, Sponsored by The International Geographic Union (IGU).

Conference/ Workshops/Seminars Organised

College Level

1. Organised one day inter disciplinary workshop on "GIS and Remote Sensing: Trends & Techniques" organized by Dept. of Geography and Botany, KVA DAV College for Women Karnal on October 18, 2014, as Organising Secretary of the workshop.

Invited Talks/ Resource Person

1. Delivered three Practical Session on "Remote Sensing, DIP, GIS" on 05/12/2016 in National Winter School Training Programme in Geospatial Technology. Organized by Dept. of Geography, MDU Rohtak, sponsored by NRDMS, DST, New Delhi.
2. Delivered one Practical Session on "DIP and GIS" on 06/12/2016 in National Winter School Training Programme in Geospatial Technology. Organized by Dept. of Geography, MDU Rohtak, sponsored by NRDMS, DST, New Delhi.

Workshops Attend

1. Attended 21 Days National Level Workshop on “Summer School for Capacity Building and Training Programme for Geospatial Technology” organized by Dept. of Geography MDU Rohtak on June 09 – 29, 2014, Sponsored by NRDMS, DST, New Delhi.
2. Attended 02 Days National Level Workshop on “Space Technology and Archaeology” organized by Haryana Space Application Centre (HARSAC) on April 29 – 30, 2015, Sponsored by ICHR.
3. Attended 03 Days National Level Workshop on “3 Days Training Programme in Field of Geospatial Technologies” organized by Dept. of Geography, Guru Nanak Khalsha College, Karnal on August 22 – 24, 2015, Sponsored by NRDMS, DST, New Delhi.

Mr. Sunil Kumar

Assistant Professor Department of Geography Faculty of Social Sciences.

Qualification

Degree/ Certificate	University /Board	Subject/ Specialization
M.Sc.	CDLU, Sirsa	Geography
B.A.	CDLU, Sirsa	Geography

Experience

Teaching Experience

Position	Period
Assistant Professor, Department of Geography, Ch. Devi Lal University, Sirsa.	2020-Current

Research Area

- Water Resources and Management
- Geo-informatics (Advanced Remote Sensing & GIS, Lidar, Digital photogrammetry)
- Environmental problems
- Socio-ecological transformations

Research Interests

Socio-Economic

Professional Recognition/Awards/Scholarships

- Qualified for eligibility for Lectureship in the UGC-NET exams held on June 2019.

Publications

Papers

1, Research Paper Published in International Journal of JHSSS, ISSN: 0972-1401, IF: 7.56, Volume -6, Issue 2 (December 2020).
