## **About the Department**

The Department of Computer Science and Engineering was established in 2000 under Faculty of Engineering and Technology. The department is running four courses viz. MCA, M.Tech (CSE)- 2 years, M.Tech (CSE)-weekend- 2.5 years and Ph.D. in Computer Science.

### **Vision**

The Department strives for excellence in higher education and research in computer science. The Department aspires to emerge as an institute above par in terms of Programme being offered Curricula development Pedagogical practices adopted Research & its publications Integration with the real world.

### **Mission**

The Department feels duty bound To facilitate and promote higher education in IT and Computer Science And, also to achieve excellence in these and related areas
