

DEPARTMENT OF ZOOLOGY

About the Department

Department of Zoology is a newly established department for purpose of teaching and imparting practical knowledge to students with the help of smart classes and well equipped laboratories. The department has qualified, experienced and highly motivated teachers involving themselves in teaching, research and skill development through various academic and co-curricular activities. Our pedagogy focuses on basic and applied fields of Zoology, which will be achieved through various facilities available in the department and other resources.

VISION

- Act as mentors to students through advising them in research & learning.
- Teach students the value of cross-disciplinary thinking by providing them with educational and research opportunities between zoology and other fields of study.
- Serve as good role models to students for safe and ethical professional behavior.
- Encourage students to value diversity and to develop a global perspective through International experiences in zoology.
- To make students responsible towards society and achieve relevance of their studies for the betterment of mankind.

MISSION

- Giving research oriented knowledge to the pupils by involving them in seminars, workshops, conferences etc.
- Conducting educational tour to the various places to gain the knowledge of habit and habitat of the wild life.
- Giving exposure to the students by visiting Indian institute of science, dairy industry, fisheries, poultry forms, zoo etc.
- To create awareness of INSITU conservation of wild life.
- To promote impulse of discovery and learning at all levels of biological organization.
- Recognizing the essential roles of science and biology in the lives of citizens today and tomorrow, we emphasize biological literacy in our teaching and outreach programs.
