## **1. About the Department**

The Department of Education has been functional since the inception of Chaudhary Devi Lal University in 2003 and is engaged in imparting teacher Education through its committed faculty. The Department is offering B.Ed.(two year), M.A.(two year), and Ph.D. programmes. The course curricula have been designed in a way to master the pupil teachers in handling various issues related to child psychology, latest technology, and innovative methods in their teaching by providing inputs necessary for shaping their overall behaviors and analytical communication abilities. We are also developing a culture of research by encouraging our students in various Educational research areas. Many students of department have been selected at university, college and school levels in the state & outside the state. The faculty of the department is engaged in various Educational research areas.

## **2. Learning Outcomes based Curriculum Framework**

The Choice Based Credit Scheme has evolved into learning outcomes based curriculum framework and provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective/minor or skill-based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Grading system provides uniformity in the evaluation and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations which enables the student to move across institutions of higher learning. The uniformity in evaluation system also enables the potential employers in assessing the performance of the candidates.

### **2.1 Objectives of the Programme**
