## **Contribution to Educational Innovation Design of New Courses and Curricula and National Development etc.**

Actively participated in redesigning of the syllabus from time to time keeping in view latest and emerging changes e.g. CBCS pattern. Syllabus enriched by providing additional resources to students such as lecture notes and gist of lectures. Familiarity with up to date teaching material ensured. Participatory and innovative teaching –learning process was ensured with material for problem based learning, group discussion, assignment, ICT based teaching material, surprise test, simplified method of teaching and problem solving aspect. Emphasis was given on communication skills/ personality development of the students as well as moral values and personal attention was given for the remedial of the weak students. Inculcated motivation among students for **literacy, tree-plantation, Beti Bachao-Beti Padhao, Sawchta Abhiyan, Vitiya Sakasharta Abhiyan, Blood Donation, Eye Donation Drive** and other aspects relating to national development. Overall a bent of mind for social concern for effective implementation of policies as educational administrator.
