**Sub: Regarding use of University webmail IDs for day to day official correspondence between all UTDs/Branches/Offices.**

- AND -

**TRAINING to all the staff members for G SUITE SERVICES/APPS.**

Sir/Madam,

It is to inform you that as per approval of the Vice-Chancellor, all the webmail IDs created on the University Webmail Server have been migrated to Google Mail Server under G Suite for education subscription. Accordingly, all the data stored in the webmail IDs of University Mail Server have also been migrated to the newly created Webmail IDs on Google Mail Server. List of webmail IDs of the University Teaching Departments/Branches/Offices are attached at **Annexure-I**. Further, the webmail IDs of Teaching/Non-Teaching staff, Research Scholars and Students may be created on request basis through duly filled "**Webmail Services – Registration Form**" (**Annexure-II**) having recommendations of the Head of the Department/Branch/Office.

To access the webmail services through Google Mail Server, we have to login the webmail ID through **GMAIL LOGIN PAGE** by using webmail ID followed by @ symbol and University domain (e.g. [webcdlu@cdlu.ac.in](mailto:webcdlu@cdlu.ac.in)); and the password auto generated by the Google Admin console initially, which can be changed by the User at any time after login.

Therefore, you are requested to inform all the staff members working under your control to use the University Webmail IDs for all type of official purposes with immediate effect. The credentials of the webmail ID (i.e. password) and other technical help in this regard can be obtained from the UCC/IT Cell during the office hours at any working day.

In addition to above, to enable the UTDs/Branches/Offices to fully utilize the **G-Suite services** like **Google Meet** for holding online events/meetings and **Google Classroom, Google Drive, Google Docs** (for Online Classes/Teaching-Learning) etc., the following **TRAINING SESSIONS** have been scheduled in the University Computer Centre, 2<sup>nd</sup> Floor, Vivekananda Library Building (by maintaining the social distancing due to COVID-19 pandemic):
