SUBJECT: "KUCH ARTISTIC KARO-NA": Unite India

Dear Sir/Madam,

The COVID-19 outbreak has posed major global challenges, with direct impact on our students in the higher education institutions. Although most of the universities have resorted to online learning, the students are missing their campuses and friends. They are deprived of the vibrant cultural ambiance of the campuses.

AIU, in its endeavor to Unite India, comes forward to fill up this gap by organizing an online event enabling students to participate in various cultural activities through the concept of "**Kuch Artistic Karo-na**", an online initiative to stay connected with the students of Universities and colleges, wherein any student can participate virtually in different cultural categories by sharing their videos online.

The students of universities and colleges have to register for the event at <http://tiny.cc/Uniteindia> and upload their videos of performances. The winners/selected students would be awarded certificates. Please refer to the attached document. We would request you to widely disseminate the information in your universities and colleges for wider participation. We shall upload selected videos on AIU website.

With best wishes

(Dr. Baljit Singh SEKHON)
