

## MESSAGE

**Prof. (Dr.) Vijay K. Kayat**  
**Vice-Chancellor**

Chaudhary Devi Lal University after its arduous journey is now entering into that phase of development where growth rate is fast pacing up with liberal funds pouring in, faculty acquiring wide national and international exposure and students excelling in sports and co-curricular and extracurricular activities at the national level. NAAC and NIRF gradation are marks of the increasing confidence of the institute which has enabled it analyze its SWOT. It is essential for acquiring clearer vision and setting new goals for the future.

By adding a feather in the cap of University, University College was established in 2018 for enlightening the career of coming generations. The University College aims at working to fashion and forge an enlightened integrated society founded on the principles of justice, pursuit of excellence in academics and researches and holistic development of personality of students. It has set the target of expanding qualitatively as well as quantitatively. Introducing new UG Programme(s) and bringing them under the umbrella of Choice Based Credit System (CBCS) is an evidence of how it is gearing itself to move on to meet the world challenges. The University College is providing excellent infrastructural facilities to the students. Any student opting to study in this University College will be able to enrich himself/herself by using them.

University College stands committed that to make optimal efforts to provide you conducive and healthy environment to grow professionally. I assure you that your choice for this University College will be rewarding and your efforts will further strengthen it to emerge as an institute of academic excellence.

I wish all success to the students, teachers, staff and Principal of the University College.
