JAN NAYAK CHAUDHARY DEVI LAL

THE TORCH BEARER

(25 September, 1914 – 6 April 2001)

Chaudhary Devi Lal University, Sirsa is named after Jan Nayak Chaudhary Devi Lal, the former Deputy Prime Minister of India and the former Chief Minister of Haryana.

Ch. Devi Lal was a veteran freedom fighter, a crusader against the British Raj and a symbol of patience and fortitude. He proved himself to be a man of action, be it in the freedom movement, post-independence amelioration of the plight of the suffering peasantry. He was looked upon with love and affection during his younger days and with reverential awe in his later life, when he was popularly nicknamed “Tau”. The welfare of the people was a mission with Chaudhary Devi Lal, who strove hard to see the peoples’ power reflected in the peoples’ rule. He was committed to the development of the backward classes, which included farmers, the oppressed and women. He always wanted the present education system to impart true knowledge. He desired for fundamental and total change in education and meaningful investments in education, especially in a manner relevant to employment for the youth and welfare of the poor. While he addressed the concerns of the youth in terms of education and skill development, he worked for the introduction of several other social welfare measures like providing health facilities, which were taken up in right earnest. As a result, hundreds of schools, colleges, hospitals and health centres came up where none existed before. He also wanted the youth to have a definite goal and make significant contribution towards national building and construction.

He wanted teachers who could inspire the students to participate in constructive work. He also considered it essential that schools be opened, which are as good as public schools for the talented children of the economically backward and poor, who otherwise cannot study for want of means. He firmly believed that ‘village India is real India’. That’s why he regarded it as a ‘dharma’ (duty) to provide a good, balanced diet, necessary clothing and shelter to each individual. He firmly held that ‘true Swaraj’ means participation of the poor, illiterate, underprivileged, millions living in our villages. As the Deputy Prime Minister of India and being one of the architects of the state of Haryana, he took many measures for the agricultural development. His services to Haryana and the country are indeed unforgettable. As reverently called ‘Tau’, the Jan Nayak, a ‘Karmayogi’ and a ‘Colossal’ guide Ch. Devi Lal’s principles and values will always inspire the coming generations.
